

# FREESTYLE FACTS

## Freestyle Cruising.

## It's a choice experience.

### FREESTYLE SHIPS

Our *Freestyle Cruising* ships are purpose-built for freedom. That means a more relaxed, casual atmosphere with more restaurant choices, accommodations, activities and entertainment. And it all happens on your schedule, not ours.

### FREESTYLE SERVICE

Our goal is to anticipate what you want, even before you do. With a “best-in-class” ratio of approximately one crew member per stateroom, you’ll enjoy gracious service around the clock so you don’t have to worry about a thing.

### FREESTYLE EXPERIENCE

With *Freestyle Cruising*, you really can do it all. You are free to express yourself day and night, on and off the ship. From onboard activities aimed at challenging your mind, to world-class spas to pamper your body, we have what you want. So stay on shore a little longer, dine when you please and relish your freedom of choice.

### FREESTYLE DINING

We raised the bar for the entire cruise industry when we introduced Freestyle Dining with no fixed seatings. This allows us to provide you with more restaurants featuring diverse and ever-changing menus that provide more freedom of choice. Choose from as many as 10 international restaurants per ship, open from 5:30 pm to midnight. From an elegant French bistro to an Italian trattoria, sushi, steakhouse and more, there’s an option for everyone.

### FREESTYLE ACCOMMODATIONS

Whether your style is opulent or value conscious, *Freestyle Cruising* offers a spectrum of choices. With over 32 categories of staterooms to choose from, as well as family friendly connecting staterooms and suites that offer both privacy and togetherness, you’ll find your perfect match.

### FREESTYLE FAMILIES

Thanks to the flexibility of *Freestyle Cruising*, we offer even more ways for your family to have fun, both on board and on shore. From ships full of exciting amenities like a video arcade, an outdoor sports court, a cinema and swimming pools, to unforgettable Shore Excursions – we’re helping you make memories of a lifetime.

### FREESTYLE DISEMBARKATION

With other cruise lines, disembarkation can be a lot of hurry up and wait. But NCL has changed all that. Thanks to our unique streamlined process, you’ll have time to relax over breakfast and enjoy more of your final morning with us without having to rush.
