PREMIUM AIR SERVICE CAN ASSIST YOU WITH:

SELECTION OF SPECIFIC AIRLINES OR ROUTINGS

NCL & NCL America's Premium Air Service can help you if you want to fly on a specific airline, take a certain flight at a particular time or request a non-stop flight.

CHANGING CITIES

NCL & NCL America's Air/Sea program provides service from a host of gateway cities across the continent. If you do not live near one of these cities or prefer to fly from a different airport, Premium Air Service can take care of this request and book your flight from the city or airport of your choosing.

TRAVELING TOGETHER

NCL & NCL America make every effort to allow large families, groups and friends to travel together when flying. Unfortunately, due to certain airline capacity restrictions, this is not always possible. If this is important to you, we request you book air through Premium Air Service.

EXTENDED STAYS

We'll help you with airline arrangements if you want to stay in your port of embarkation or disembarkation a few extra days to visit friends or family.

UPGRADES TO FIRST AND BUSINESS CLASS

(Often at considerable savings)

Just let us know your preference. If it's available, we'll customize your flight arrangements to include your upgrade.

STOPOVERS EN ROUTE FOR CERTAIN ITINERARIES

Want to stop in a city along the way for business or pleasure? On most itineraries, we can take care of it for you.
