BOSTON HOTELS

Home of more colleges and universities than any other city in the U.S., and infused with a vibrant, young ambiance, Boston has been the intellectual capital of our country for more than 350 years. Walk through lovely Louisbourg Square in Beacon Hill, wander the antique red brick halls of the new and old Statehouses, join the crowds of students as they cross Harvard Square and you will feel the irresistible vitality of Boston. Journey to Lexington and Concord and see where the first shots of the Revolution were fired. Visit bewitching Salem or make a pilgrimage to Plymouth Rock and Old Cape Cod.

OMNI PARKER HOUSE

The hotel's recently completed \$70-million renovation now offers guests the perfect mix of historic treasure and modern convenience. The hotel's ideal location puts you right on Boston's Freedom Trail in the heart of the city near attractions like Boston Commons, Beacon Hill and more.
